Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • The 1k a day is completed across the key stages with certificates for pupils completing 1k on ten separate occasions. Motivational signage for this initiative can be seen around the school. • The school maintains good links with FC Halifax Town with the school participating in the Half Time 5-a-side Cup between senior games at The Shay as well as the school supplying ball boys and girls for matches. • Pupils enthusiasm in PE is positive (as seen in the pupil survey results) • A programme of competitive sports is in place across the Trust and the school is part of an interschool competitive sports programme within the local Cluster. • Leaders are clear about the direction of improvements. • Bikeability and Learn to Ride sessions for pupils are in place as a regular annual event. • Scheme of work implemented and being consistently followed to ensure a progression of skills and knowledge is being taught. • Purchase of high-quality equipment to support PE sessions and breaktime activities. • Playleader training for staff and pupils, and purchasing of new equipment to vary activities delivered. • Lunchtime activities timetable is now established run by staff and pupils. This includes a wide range of sporting activities. Also in place is a timetable for the football court. • All planning from the PE Planning scheme of work has been downloaded and shared across the trust and with Project Sport who use it to deliver lessons. • A PE skills audit for staff was recently administered with the results shared with relevant stakeholders. • Links created with KS3 PE colleagues in the PE department with a view to staff delivering training. • The annual sports day held at the local cricket club is always very successful and well-attended by parents and other family members. 	<ul style="list-style-type: none"> • To continue to promote the links between physical activity and mental health and well-being through cross-curricular planning. This includes teachers providing opportunities for physical activity in lessons other than PE. • To provide on-going CPD for staff in PE based on the PE skills audit. • Utilise the trust resources to connect with KS3 and 4 colleagues , supporting curriculum refinement, the transition activities between the two schools and to provide CPD based on the results of the PE skills audit. • Swimming to take priority with children attending for the full academic year due to reduction in percentage of children achieving the National Curriculum standard. • To continue to develop the school’s competitive sports programme through inter-school competitions. • Administer an after school sports questionnaire for pupils and parents in order to tailor provision. Liaise with relevant stakeholders. • To have more opportunities to observe the teaching of PE with other classes. • Increase the amount of daily activity for all children recovering from the initial post covid period.
