- Transfer calls from parents/carers to the Pastoral Team in order to provide them with more detailed support on attendance.

3.7 Parents/carers

Parents/carers are expected to:

- Make sure their child attends every on time
- Call the school to report their child's absence before 9.00am on the day of the absence and each subsequent day of absence, and advise when they are expected to return.
- Provide the school with more than 1 emergency contact number for their child.
- Ensure that, where possible, appointments for their child are made outside of the school day.

3.8 Pupils

Pupils are expected to:

- Attend school every day on time

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry

- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances
- We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.50am on each school day.

The register for the first session will be taken at 8.50am and will be kept open until 9.00am The register for the second session will be taken at 12.35 (Early Years and Key Stage 1) 12.45pm (Key Stage 2)and will be kept open for 5 minutes.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence as soon as practically possible by calling the school pupil absence line (see also section 7).

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 3 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied with the authenticity of the illness, the absence will be recorded as unauthorised, and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

To attain authorization parents must give at least 48 hours' notice. The request must be made in writing (email) or made in person at the school reception. The request must be made by the person recorded by the school as having parental responsibility.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

If punctuality is an on-going / persistent issue, parents will be contacted by the school to address the issue and to encourage them to work in partnership with the school to improve the pupil's punctuality.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact the police and/or other external agencies as required.

- Identify whether the absence is approved or not.
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session.
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer.

4.6 Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels via their termly reports.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Head of School will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Head of School's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as an event that is life changing for the pupil.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least six weeks before the absence, and in accordance with any leave of absence request form, accessible via the school reception. The Head of School may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness (including mental illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart

- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

5.2 Legal sanctions

The school or local authority can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent/carers must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a Head of School, local authority officer or the police.

- The decision on whether to issue a penalty notice may take into account:
- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason
- If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

The school celebrates strong pupil attendance to school. Rewards policies and procedures are focused upon rewarding pupils with strong attendance. Strong attendance is celebrated by the school through assemblies, class and/or form time celebrations and events.

7. Attendance monitoring

The school monitors attendance using best practice guidance from the DfE and EEF. The approach is multi-faceted (different levels of monitoring led by different tiers of staff). This approach ensures that pupils who are at risk of poor attendance are identified early, and tried and tested sequential approaches of support and challenge are put in place as soon as possible. The school level analysis is by pupil; daily, weekly, and half termly. Trust leaders monitor school attendance by year group monthly and the LGBs monitor pupil attendance by year group termly. Finally, the Trust Board monitors attendance by school in a report from the CEO every term.

7.1 Monitoring attendance

To reflect the rigor stated in section 7, the school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level.
- Identify whether there are particular groups of children whose absences may be a cause for concern.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level

absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this via the system highlighted in section 7.

7.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance and use this analysis to provide targeted support to these pupils and their families.
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns.

7.3 Using data to improve attendance

The school will:

Provide regular attendance reports to class teachers/form tutors, and other school leaders, to facilitate discussions with pupils and families.

Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

8. Monitoring arrangements

This policy will be reviewed as guidance from the DfE is updated, and as a minimum will be reviewed at a governance level every 3 years by the Head of School. At every review, the policy will be approved by the LGB.

9. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
